Standard Opens New Store Here

The new Standard Grocery
Company's food market opened
for business Thursday morning
and many customers inspected
the new store during the morn-
ing hours.

Richard Hauck, manager, was
on hand to greet as many new
customers as was possible, and
his staff of helpers were well
drilled for the opening day.

The new store is a worthwhile
addition to the business interest
of the city and many marveled
at the change that has been
made in the two rooms, now one,
that the store occupies. It is
complete in every detail, so far
as all lines of staple, fancy
foods and garden fresh vegeta-
bles are concerned.

It was estimated that more
than five huge semi-truck load-
s of staple goods were required to
stock the shelves. This was in
addition to the dozen or more
truck loads of special items that
went into the general stock.

GREENCASTLE FIRMS WILL GO ON FAST TIME

DAYLIGHT SAVING TIME FOR
PRACTICALLY ALL
LOCAL BUSINESS

Charles Weaver, secretary of
the Greencastle Chamber of
Commerce, today announced that
all banks, theaters, stores and in-
dustries of Greencastle including
Tractor Specialties Corporation,
Angwell Curtain Co., The Ameri-
can Zinc Products Co., the Lone
Star Cement Co., DePaul
University and public utilities,
will start operating on daylight
savings time starting at mid-
night Saturday, April 23, and
will continue on this time until
midnight Saturday, September
24.

It was explained by Mr. Weav-
er that this action was taken
after the Chamber of Commerce
membership had voted unanim-
ously in favor of daylight sav-
ings time in a poll taken by the
chamber earlier this month. Mr.
Weaver said that "since our
membership was so unanimously
in favor of daylight savings time,
and since so many people of
Greencastle are working each
day in cities on 'fast time' it was
felt by the Board of Directors
that this action would cause the
least amount of confusion among
the many interests of the com-
munity."

DAY, Auxiliary Seek Club Room

The Disabled American Veter-
ans and Auxiliary met last night
at the office of the Public Ser-
vice Company. Plans were made
to secure a room suitable as a
club and meeting place.

The next regular meeting will
be held at the same place, on
Wednesday, May 4th, at which
time delegates to the state con-
vention will be elected. An ad-
vising committee will be appoint-
ed and definite plans made for a
joint public installation of of-
ficers. At that time department
officers will officially present
the charter to the two groups.

The D. A. V. chapter itself re-
ceived its charter in December of
1948, but has withheld formal
presentation until its auxiliary
receives its charter. As far as
is known this will be the first
group in Greencastle to have
charters of both chapter and
auxiliary presented at the same
meeting.

All veterans, disabled in any
war, or drawing "service con-
nected" compensation, or who
drew such at any time are eligi-
ble to join. All eligible veterans
are urged to attend the next
meeting.

with their jokes and songs. Sev-
eral amusing instrumental and

CASE HAS NEW ANGLE

GARY, Ind., April 21.—(UP)—
A welder sentenced to jail with
his wife for giving her three
year-old son to a stranger was
reported today to have operated
a lonely hearts club in Schene-
cady, N. Y.

Robert Wiley, 28, Blue Island
Ill., and his wife, June, 24, plead-
ed guilty yesterday to neglecting
Richard Laird, Jr., Mrs. Wiley's
son by a previous marriage.

Police said they also are check-
ing Wiley's tangled marital
status. They said he apparently
had been married five times be-
fore.

Detective Sgt. T. V. Curley
said Wiley told him that he ran
a lonely hearts club in Schene-
cady under the name of the
Friendship Service.

Remodeled Webb Building Opened

The C. A. Webb building at 28
south Jackson street has taken
on a new appearance since the
remodeling has been completed.
Mr. Webb announced today that
he is now ready to have the peo-
ple of Putnam county inspect the
large sales room and service fa-
cilities that will be used solely
for display and service of Stude-
baker products.

The display room, measuring
23x46 feet, is modern in every
respect. The wood work in a
light green blends with the white
walls and ceiling and the lin-
oleum in a grey and black pattern.
Two offices are on the east end.
The open office is set off by
waist high partition in which
green plants are set to give a
very attractive appearance. The
private office is separated by
plywood paneling and opaque
glass. Fluorescent lighting is
throughout.

Claud Webb today said that
the building was modernized and
enlarged for the exclusive occu-
pancy of Studebaker automobiles
and is now commensurate with
facilities required for display
and service of this popular make
of automobiles and light trucks.
"I am very proud of the building
and I want everyone to come in
and look around," said Mr. Webb.

SOME DANGER SIGNS SEEN IN U. S. ECONOMY

INDUSTRY MUST PREPARE
TO MEET THREATS
TO PROSPERITY

WASHINGTON, April 21.—
(UP)—Government and indus-
trial economists agreed today
that some danger signs have
cropped up in the nation's econ-
omy.

They warned that the econo-
mic forces behind these signs could
develop into a definite long-
range threat to continued pros-
perity. Unless industry prepares
to meet these forces, they said,
the result might be declining
production and unemployment.

Although the economists said
the industrial outlook for the im-
mediate future is good, they not-
ed some clouds on the economic
horizon in these developments:

1. The Agriculture Department
said farm income may drop as
much as 10 per cent from the
\$17,400,000,000 of 1948, with pro-
duction costs dropping only
about five per cent.

2. The Labor Department re-
ported that the average factory
wage dropped \$1 a week last
month to \$53.37—one of the
largest declines since the war. It
also said that non-agricultural
employment was off 150,000 for
the month. Ewan Clague, labor
statistics commissioner, said
these developments had hurt the
nation's purchasing power.

3. In Pittsburgh, three coal
and iron industrialists warned
labor that there can be no
fourth-round of wage increases
this year because industry must
lower costs to meet the return of
competitive markets.

4. Federal Reserve Board fig-
ures showed that business loans
between mid-December and mid-
April registered their sharpest
decline since records have been
kept.

Louis H. Bean, an Agriculture
Department economist, advised
businessmen that they must
change their present plans if the

Cashier Slain; \$11,658 Missing

CHICAGO, April 21.—(UP)—
Police sought to learn today
whether a currency exchange
cashier found stabbed to death
in a ditch was kidnaped during a
robbery or waylaid after stealing
\$11,658 from his employer.

Rolfe O. Dreng, 35, was found
yesterday bound, gagged and
stabbed through the heart. His
body was lying face down in a
ditch near Wheaton in adjoining
Du Page county.

Dreng disappeared mysteri-
ously last Friday from the Chicago
Currency Exchange where he
had worked for three years.
Abraham Greenfield, president
of the currency exchange firm,
reported Dreng missing Friday
when he found the money gone
and the office locked an hour be-
fore the normal closing time.

Rotary Enjoys Radio Playlet

Zol McIntyre was the sponsor
of a very interesting program
presented before the Greencastle
Rotary Club on Wednesday. A
radio skit based on the "Henry
Aldrich" theme, proved to be
very amusing to the Rotarians.

Under the direction of Mrs.
Donald Long, head of the Speech
Department of the Greencastle
high school, "Henry Aldrich"
was presented by a talented
group of high school students.
The cast was well directed and
several displayed histrionic abili-
ties.

Henry Aldrich was played by
Bruce Wilde, Marcia Pobes as
summed the part of Jal Olsen,
guest star, Forest Varvel played
Mr. Aldrich, Wilma Buster play-
ed Mrs. Aldrich, and the part of
Mary Aldrich was taken by Beve-
ly Mulvey. Others in the cast
were Norma Sims, Barbara
Hedge and Doris Fletcher. Floyd
Decker handled the sound ef-
fects, Bob Krauer was music di-
rector, Martha McMains was
sponsor and Nevela Crawley
was director.

EXTRA!

WASHINGTON, April 21.—
(UP)—The Southern Coal Pro-
ducers Association in a surprise
move today terminated its wage-
hour contract with John L.
Lewis' United Mine Workers.
The termination is effective June
30.

Joseph E. Moody, association
president, served notice of con-
tract termination on Lewis in be-
half of more than 400 companies
producing 150,000,000 tons of
soft coal a year.

This output is more than one-
third of the total production of
all soft coal mines under con-
tract with the UMW.

The Southern association's ac-
tion was unprecedented. In ter-
minating the agreement in ad-
vance of new contract talks it
beat Lewis to the punch.

The miners' chief already had
called the UMW's 200-man wage
policy committee into session
here next Monday to frame new
contract demands and draft a
union notice of contract termina-
tion.

DETROIT, April 21.—(UP)—
A 19-year-old youth today ad-
mitted slaying a six-year-old De-
troit boy whose body was found
brutally slashed, beaten and
burned in a Detroit garage base-
ment.

Theodore Hilles, object of an
intensive search after the body
of George Counter was found
early today, was arrested by
state police 1½ miles west of
Pinckney, Mich., 45 miles north-
west of here.

State police said the youth, de-
scribed as mentally dull, admit-
ted the sordid slaying. Hilles
was taken to East Lansing until
Detroit authorities arrived.

SHANGHAI, April 21.—(INS)—
Casualties in the strange un-
declared "war" between units of
the British navy and Communist
shore batteries on the Yangtze
river mounted to at least 42 dead
and perhaps 100 wounded today.

The sleek 10,000 ton cruiser
London and the 1,250-ton frigate
Black Swan were the latest to
come under bombardment as
thousands of Communist troops
swarmed across the river, and
the Nationalist government pre-
pared for evacuation from Nan-
king to Canton.

A breakdown of the British
casualties showed that 17 men
were killed aboard the sloop
Amethyst, 15 aboard the cruiser
London, nine on the destroyer
Consort and one aboard the frigate
Black Swan.

WASHINGTON, April 21.—
(INS)—The United States today
termed as "entirely unsatisfac-
tory" Hungarian and Romanian
replies to the American protest
against the persecution of
churchmen and religious leaders.

The U. S. has charged that the
prosecution of Cardinal Mind-
szenty in Hungary and opposi-
tion leaders in Romania violated
the peace treaties of the two
former axis satellites.

State Department spokesman
Michael McDermott said that as
soon as Bulgaria's answer, which
is expected to be equally unre-
sponsive, is received consultation
will be started with other inter-
ested European allies on what
steps are to be taken.

Following this consultation, in
which Russia will be asked to
participate if she wishes, action
will be pressed under the machi-
nery of the political clauses of
the treaties.

ATLANTA, April 21.—(UP)—
The body of a man tentatively
identified as John Garris, Metro-
politan Opera Company singer,
was found in an alley in down-
town Atlanta today. He had been
shot.

Dr. Herman Jones, Chief of the
Fulton County Crime Detection
Bureau, said effects found on the
body indicated the murdered man
was the grand opera star.

Detective J. L. Pack said the
singer was shot once in the left
side of the chest, apparently by a
.45 caliber bullet. The slug re-
mained in the body and an
autopsy has been ordered.

Pack said police are investi-
gating a theory that the man
was shot to death elsewhere and
then dragged into the alley.

HIGH CHINESE OFFICIALS TO FLEE NANKING

RED CHINESE FORCES ONLY
50 MILES SOUTHWEST
OF CITY

NANKING, April 21.—(UP)—
Acting President Li Tsung-jen's
Nationalist government decided
to flee Nanking by air today
after 30,000 Communist troops
stormed the Yangtze river dur-
ing the night and established a
bridgehead at Wuhu, only 50
miles southwest.

Communist Leader Mao Tze-
tung launched the Communist
assault on the Yangtze river line
with a radio broadcast to his
troops ordering them to unleash
an all-out offensive, crush the
Nationalist armies and surround
Nanking.

The spearhead of the attack
reached the south bank of the
Yangtze near Wuhu in a single
night thrust and more than 1-
500,000 other troops were report-
edly driving for the south bank
alone a 400-mile stretch both
east and west of Nanking. Fac-
ing them were 500,000 National-
ist troops.

Li's government met in emer-
gency session as the Communist
assault was launched. The gov-
ernment decided to evacuate
Nanking by air to Canton in a
bloc.

A government spokesman said
the new seat of the Nationalist
government would be set up in
Canton within a week.

SHANGHAI, April 21.—(UP)—
Communist guns along the
Yangtze river blasted a third
British warship today, forcing
the 10,000-ton cruiser London to
back with casualties after an
unsuccessful effort to res-
cue the shell-shattered sloop Ame-
thyst.

Marshal Tito Is Dead Says Priest

WICHITA, Kans., April 21.—
(UP)—A Roman Catholic priest,
exiled by Communists from his
native Yugoslavia, claimed today
that Marshal Tito was killed by
German invaders in 1942 and
that a Russian commissar has
masqueraded as the Yugoslav
dictator for nearly seven years.

The priest, who asked that his
name not be published for fear of
reprisals against his family in
Yugoslavia, said the Russian was
merely a figurehead. He said the
real heads of the Yugoslav gov-
ernment were Josa Tijade, a
Serb, and Karelj Edvars, a
Slovene.

Tijade and Edvars, the cleric
said, were "Trotsky Socialists"
who had brought about friction
with Stalin's Russia because they
followed the concept of the late
Leon Trotsky.

"Nearly all Yugoslavs know
that Tito is dead," the priest
said, "but there is nothing they
can do about it."

"Tito was shot by the Germans
in a Forest between Serbia and
Croatia in September or October,
1942. I am not sure of the month,
but it was in the autumn. He
was buried by the Communists
and the Russian commissar then
assumed his name and position."

"The false Tito is only a
figurehead," he charged.

The clergyman said Tito spoke
only Croatian or Serbian, and
that the third finger of his left
hand was missing; the imposter
speaks only Russian and has all
his fingers.

Turk Is Author Of Spanish Book

Announcement of a new high school Spanish textbook by Dr. Laurel Turk, DePauw University and Edith Allen, Arsenal Technical high school, Indianapolis, was made today by D. C. Heath and Company, publishers.

The text, *El Español Al Día*, is the first of a two-book series with a modernized emphasis on language study.

It presents, in 45 lessons and nine reviews, the fundamental grammatical and idiomatic constructions essential for the training of beginning students in Spanish.

Dr. Turk, widely-known author and lecturer, is also the author of four other Spanish texts and co-author, with Agnes M. Brady, of three more.

He has traveled extensively on the continent and in South America, and was a lecturer in the Institute for Peruvian Teachers of English, Peru, while in South America last year.

Dr. Turk was graduated from the University of Missouri, received a master's degree from Kansas, and a doctorate of philosophy from Stanford. He is a member of the Modern Language Association, A. A. U. P., and has been secretary-treasurer of Indiana chapter of American Association of Teachers of Spanish and Portuguese since its founding.

Missing Girl, 7 Found Unharmed

CLAIRFIELD, Tenn., April 21.—(UP)—A speechless seven-year-old girl, lost in ravine-laced mountain country since Tuesday night, was found alive and "in good condition" today by a search party of coal miners.

Blue-eyed Wanda Moore was discovered by Hubert Parrott and Kenney Huddleston, two coal miners employed by the company where the child's father worked.

The mining company had ceased all operations to permit workers to join in the search. A posse of over 1,000 miners and mountaineers had scoured the mountain country, using bloodhounds, since the little girl was first reported missing on Tuesday afternoon.

Wanda, rendered speechless by a sickness in babyhood, was examined by Dr. F. H. Rogers, physician for the Virginia-Jellico Coal Mining Company, who said she was in good condition except that she suffered from lack of food.

WASHINGTON, April 21.—(INS)—The first session of the 8-st Congress reached the half-way point today with 17 per cent of President Truman's legislative program enacted into law.

A survey disclosed that another 43 per cent of the chief executive's program may be enacted before Congress adjourns. This would give Mr. Truman a 600 battling average.

But almost certainly doomed to fall of passage are Mr. Truman's requests for increased taxes and civil rights legislation, although the House again may pass an anti-poll tax bill.

FISHIN' FUN

There is plenty of opportunity for the locals to pick up some attractive prizes in the big contest, via the entry of their Bluegills. Seems that this department always gets slighted because most people feel that it takes at least a baby monster to take even third money. May we remind you that the largest Bluegill ever entered in the competition was 10 3/4 inches long. Every day someone comes in with the story that they caught a big 11 inch, or 10 1/2 inch. How about bringing them in, and try for one of the big prizes.

DANGER SIGNS SEEN

nation is to enjoy continued prosperity.

Speaking last night in New York, he said that the long-range economic outlook depends on two highly unstable factors—agricultural prices and industrial capital expenditures.

Steps must be taken, he said, to insure "that farm prices and income do not collapse under abundant production." Business, he added, should abandon its reported program of reducing its capital expenditures by 40 per cent in the next five years.

"All past experience," said Bean, "points to the fact that favorable economic and political conditions do not accompany a 40 per cent decline in business and investment."

"What we get instead is a decline in employment and lack of job opportunities for the new persons of working age who annually enter the labor force."

OFFICIALS TO FLEE

The London, carrying Vice Admiral A. C. G. Madden, ran into heavy Communist artillery fire when she attempted to reach the Amethyst this morning after spending the night at Kiangyin, about 75 miles' upriver from Shanghai.

The London fired back with her powerful batteries of eight eight-inch guns but could not continue against the massed power of the Communist shore-based artillery, the British said.

The cruiser was forced to return to Kiangyin without reaching the Amethyst. The British spokesman said a number of casualties were suffered on the London but that there was no information as to the number.

SENATE GROUP
MEETS WITH
SEC. ACHESONFOREIGN RELATIONS COM-
MITTEE GETS LOOK AT
MILITARY PROGRAM

WASHINGTON, April 21 —
(UP)—The Senate Foreign Re-
lations Committee was promised a
look at the administration's
global military aid program to-
day amid Republican demands
that the entire plan be made
public immediately.

The committee scheduled a
closed meeting with Secretary
of State Dean Acheson this af-
ternoon (2:30 P. M. EST) to re-
ceive its first official informa-
tion of details of the plan.

It was understood that the cost
of the program for the first year
would be between \$1,200,000,000
and \$2,000,000,000. One senate
committee member said he un-
derstood the plan would provide
\$800,000,000 worth of supplies
for Western Europe with the bal-
ance going to Greece, Turkey
and Korea.

Despite contrary indications
from Committee Chairman Tom
Connally, D., Tex., senate Re-
publicans appeared to be taking
it for granted that all the de-
tails would be made public very
shortly.

GOP senators have been voic-
ing that demand so the arms pro-
gram could be considered jointly
with the North Atlantic treaty.
Senate hearings on the treaty are
tentatively scheduled to begin
next week.

The Republican stand has re-
ceived some Democratic support,
notably from Sen. Walter F.
George of Georgia, senior Demo-
crat on the Foreign Relations
Committee.

Connally told reporters that
the administration plan might
be made public after today's
session but that he doubted it
very much.

The arms program was discus-
sed by the senate Republican
policy committee yesterday as
part of a general airing of GOP
views on foreign policy.

Sen. Robert A. Taft, R., C.,
chairman of the policy group, re-
ported that Sen. Arthur H. Van-
denberg, R., Mich., chief GOP
foreign policy spokesman, was
"quite confident" that the pro-
gram would be made public "ai-
most at once." Taft said Re-
publican members of the Foreign
Relations Committee unanimous-
ly favored such action.

A sizable senate bloc led by
Taft and George is seriously con-
cerned with the impact of the
program on the overall federal
budget. These senators fear it
would contribute to a govern-
ment deficit or to the need for
higher taxes.

Warn Against
"Peace Feelers"

WASHINGTON, April 21 —
(UP)—U. S. diplomats warned
today that current Soviet "peace
feelers" may be aimed at sabo-
taging U. S. plans to arm West-
ern Europe against Communism.

The government took cogni-
zance of the "peace" reports yes-
terday in an authorized but cau-
tious statement that said Russian
diplomatic maneuvers may be
directed at lifting the Berlin
blockade and bringing about a
resumption of Big Four talks on
Germany.

Diplomats involved in guiding
American relations with Russia
said it is too early to tell wheth-
er the Soviet moves are genuine
and if so, at what they are aim-
ed.

They pointed out that while
the end of the Berlin blockade
and the western counter-blockade
would be beneficial to both east
and west, Russia could hope to
gain little in resuming Big Four
talks on Germany.

The Soviet aim has always
been the communization of Ger-
many. But these diplomats said
recent Big Three decisions on
Western Germany gave the Ger-
man people certain rights which
Russia could never accept for
Eastern Germany, because they
make Communists control a
virtual impossibility.
